OHIO ALERTS TRAINING

Through the support of its member organizations, the Ohio AMBER Alert Advisory Committee provides a *free* course for communication personnel and law enforcement.

Training provides information on:

- **Process for alert activation**
- **Criteria for each alert type**
- **Critical information to obtain by first responders**
- **Entering alert into LEADS and other regional information sharing systems**
- **Resources available to your agency**

REGISTER THROUGH PUBLIC SAFETY TRAINING CAMPUS:
